Name \_\_\_\_\_ Date \_\_\_\_\_

**Directions:** Read the question and answer based on the information you learned in class.

***Think about the activity you just did. Explain why it was difficult to eat without moving your tongue. What problems do you think arise when someone's tongue is paralyzed (cannot move) and they try to eat? What did you do differently while eating since you couldn't move your tongue? Which item was more difficult: the chocolate or the chewing gum?***
